**E31A - 3MP Wi-Fi PT Camera**

720P  
Standard Security Camera

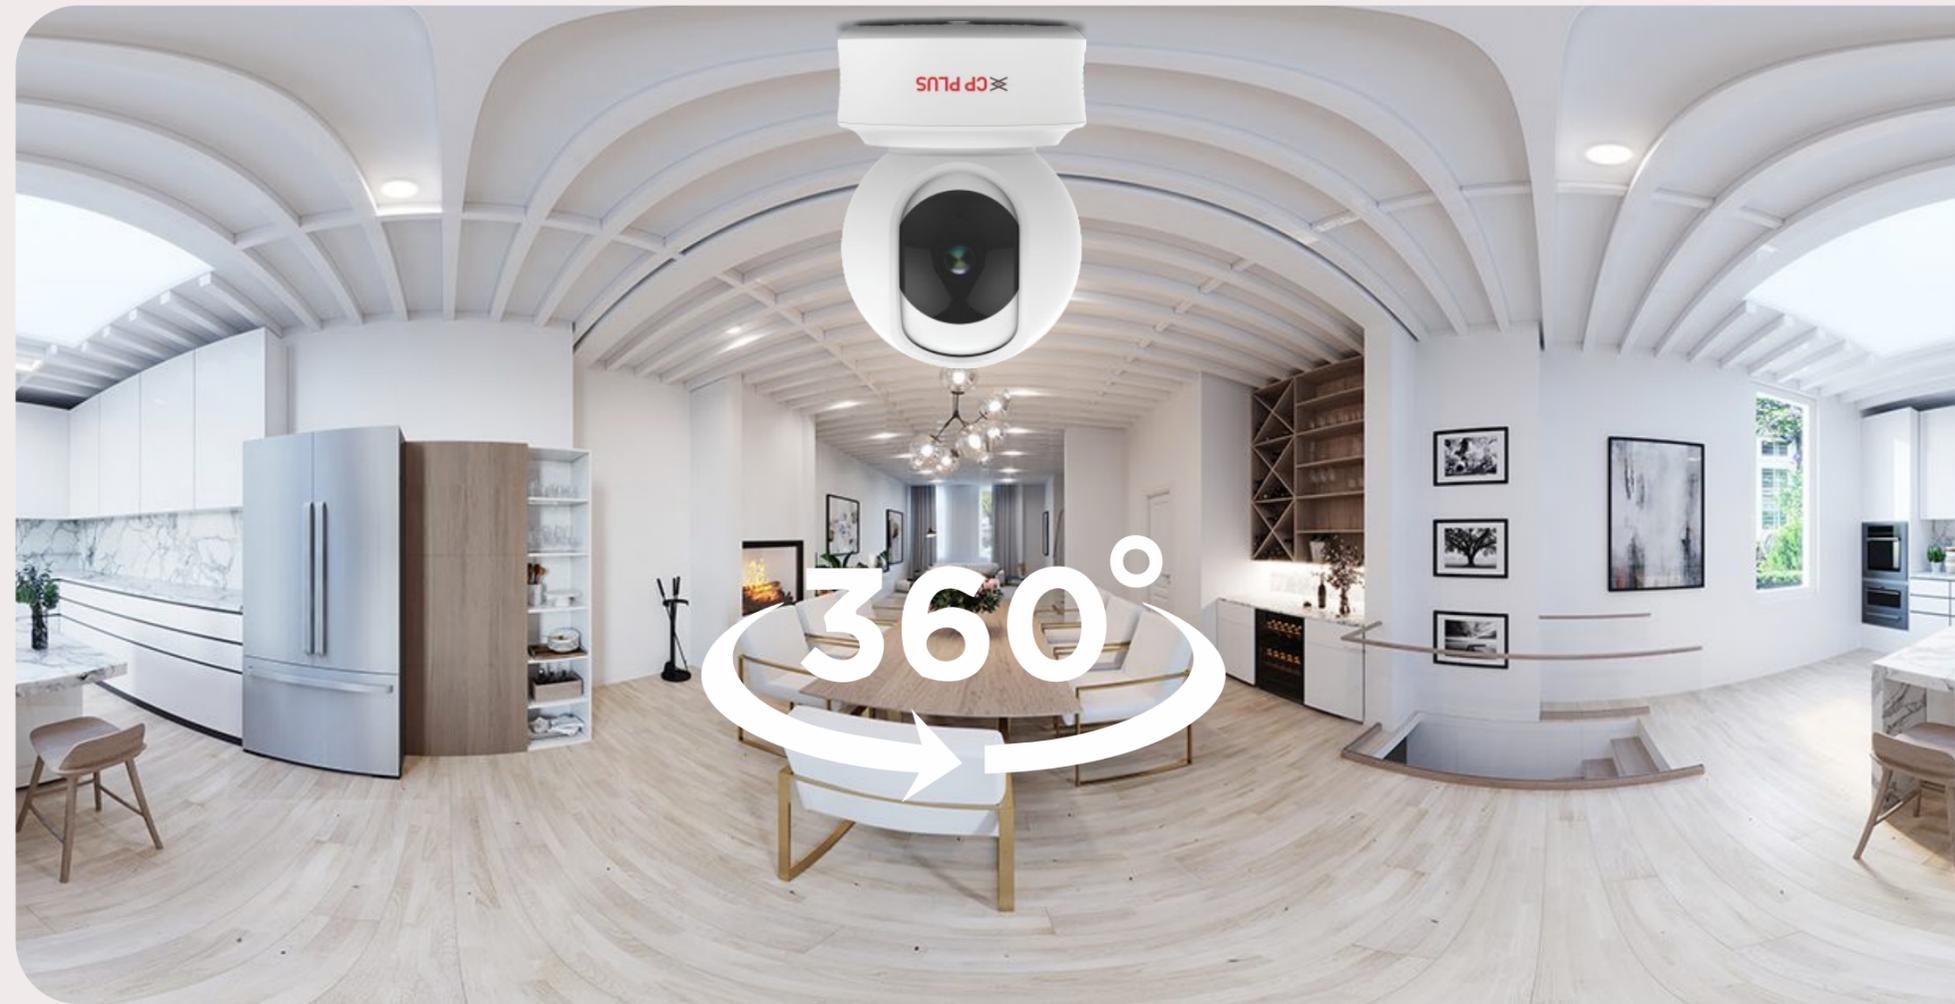

3MP  
Using the CP Plus Ezykam+ Camera 360

## 3MP Full HD Video

Designed to represent an enhanced picture quality in full HD video so that every detail can be viewed with vivid clarity and a pixilated video feed can be avoided.

## 360° View

The camera rotates full 360°, making it convenient for you to view the room from every angle and keep an eye all over the place even when you are away from home.

## Motion Detection Alerts

This camera detects movements in the video frame and send alerts in real-time to always keep you notified about what's happening at home.

## Supports Motion Tracking

Whenever unexpected motion is detected in the video frame, the camera has been devised to rotate automatically to track the movement of people and record it to investigate later.

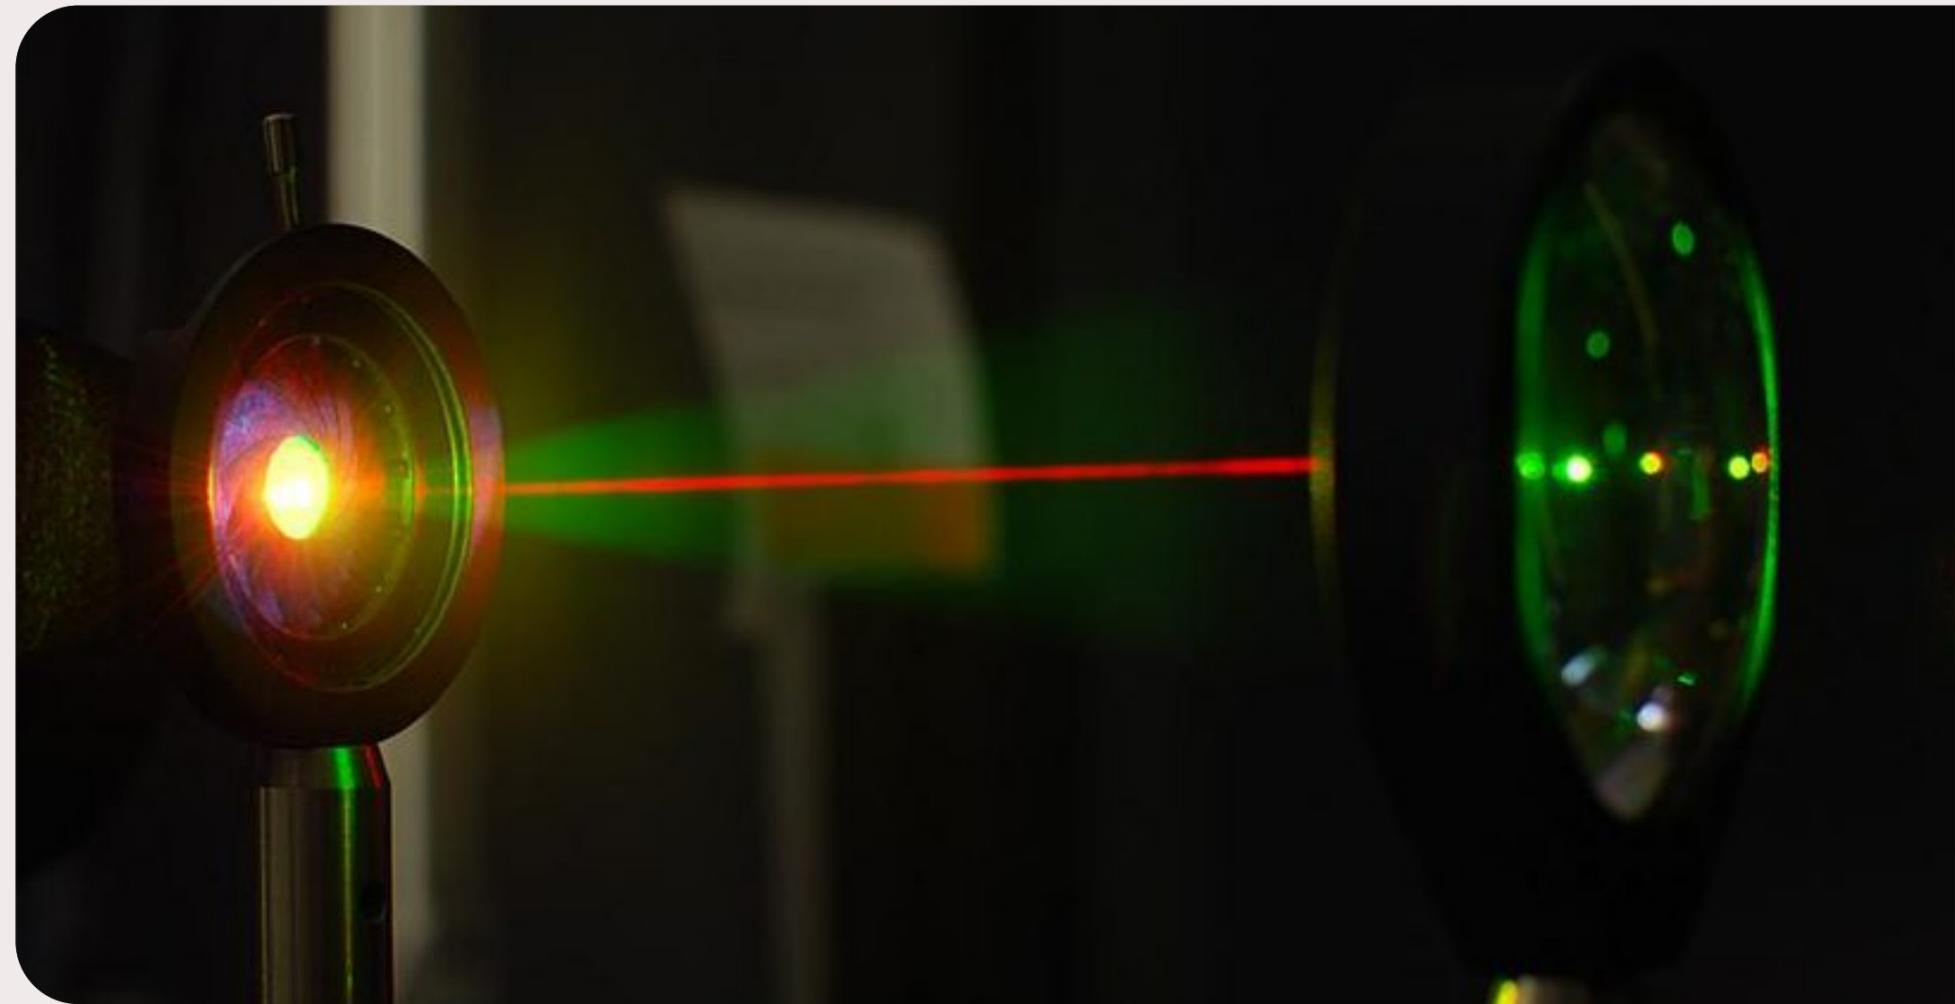

## Privacy Mode

Using privacy mode, you can block the camera view & recording of a specific area of your choice to maintain privacy.

## IR Lights

In areas of low illumination &/or dark places, infrared lights help to present a clear video feed even at night, increasing and enhancing the visibility of the lens to capture every detail.

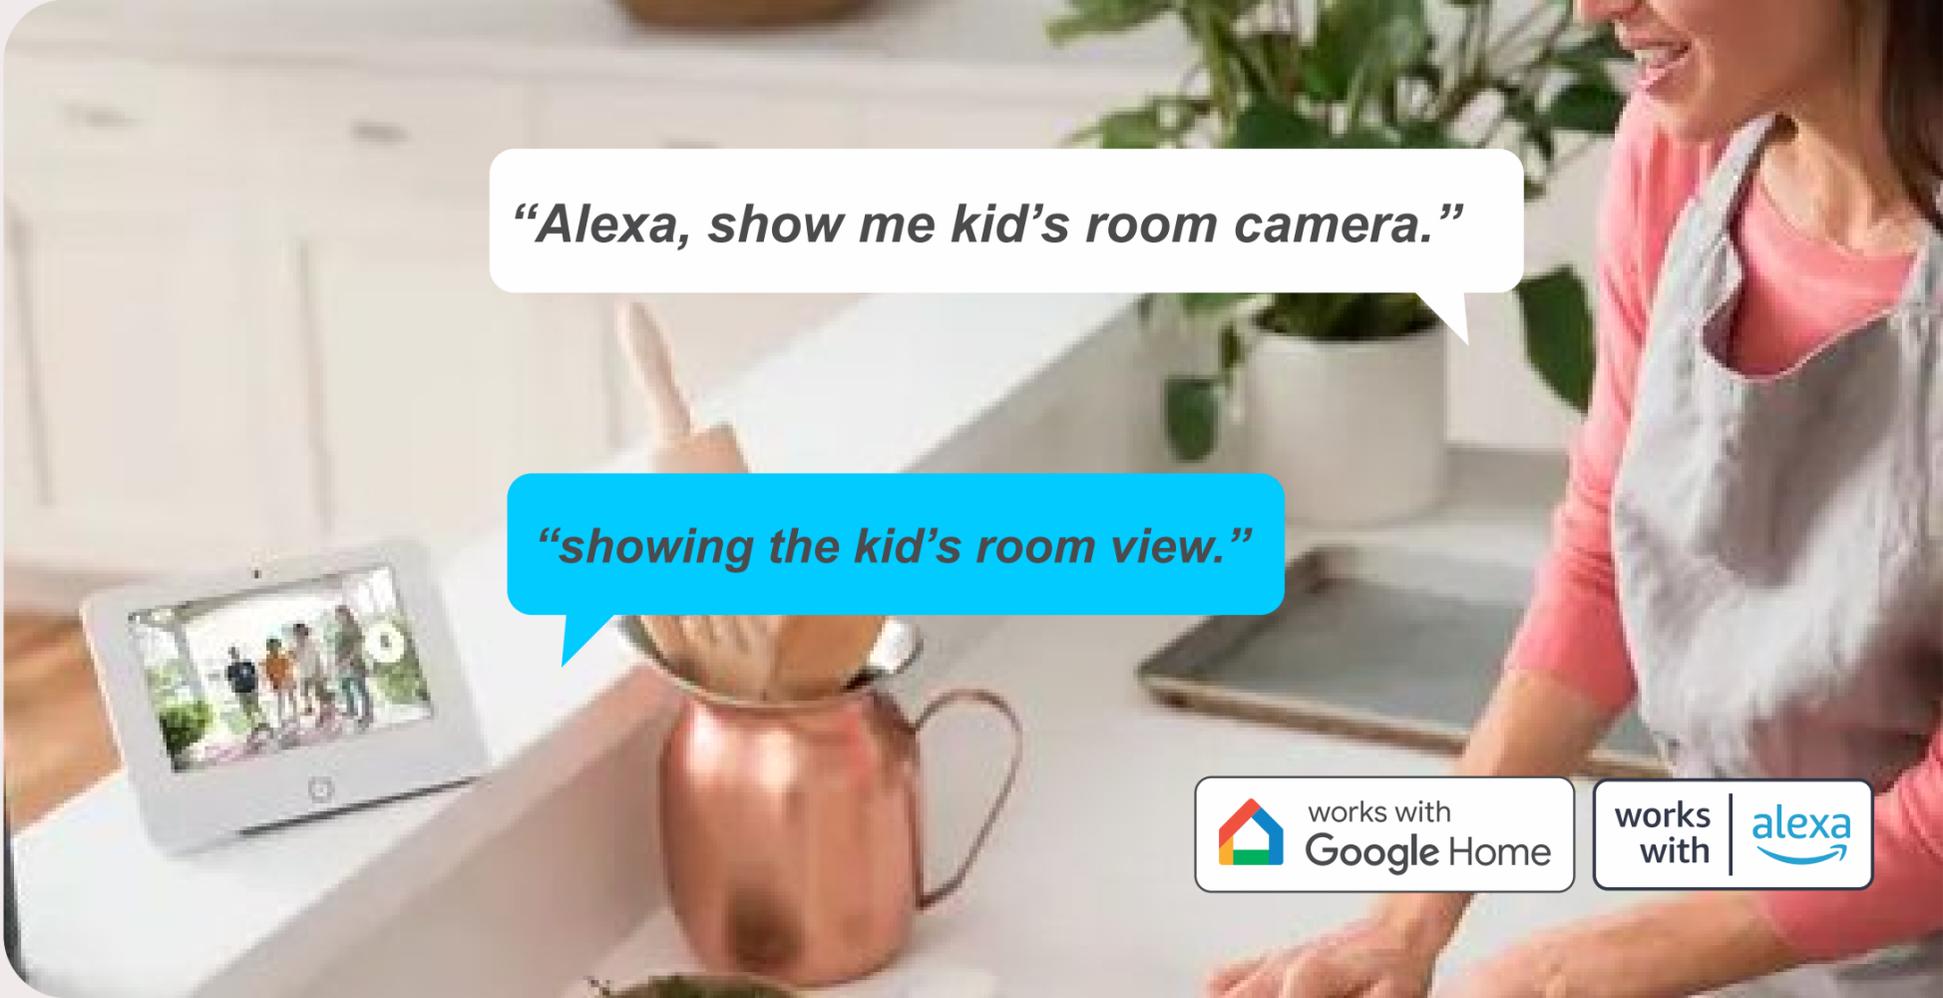

# View & Talk

Enables you to stay in touch with your loved ones from anywhere, meaning you can also talk while viewing the live video feed on the phone.

# Alexa and Google Supported

Works with Alexa & Google Home so you can go hands-free and command the camera with your voice while enjoying the safety of a smart home.

*"Alexa, show me kid's room camera."*

*"showing the kid's room view."*

# Specification - E31A

Features	Specifications
Image Sensor	1/3" 3MP CMOS sensor (0.84667cm)
Compression	H.265
Minimum Illumination	0.01 Lux
Resolution	2304 x 1296
Flip/ Mirror	Supported
IR cut filter	Supported
View mode	HD & SD
Lens	4mm lens
Frame Rate	20fps
Pan/Tilt Angle	Tilt 71°, Pan 355°
View Angle	(D) : 101.6°/ (H) : 85.5°/ (V) : 46°
Stream	Dual Stream
Audio Communication	Two Way Audio
Audio Compression	G711
Audio Compression	algorithm u-law algorithm
Audio Compression Rate	57% (uLaw)
Audio Input Supported	(Built-in Mic)
Audio Output	Supported (Speaker)
Ethernet Port	Supported
Recording Method	Event Recording/ Continuous Recording
Antenna gain	2~3db
Protocol	TCP/IP

Feature	Specifications
Wireless standard	IEEE 802.11b/g/n
Frequency	2.4GHz
Wireless Security	WEP & WPA
Work with Alexa	Supported
Work with Google Assistant	Supported
IR distance	IR LEDs up to 15 meters
IR LED	6
Smart Phone	IOS & Android
Storage mode	SD card (up to 128GB)
Motion Detection	Supported
Motion Tracking	Supported
Configurable Region	Supported
Notification method	Mobile push
Private mode	Supported
Reset Button	Supported
Power Supply	5V 1A
Power consumption	5W
Body Material	ABS+PC
Working temperature	-10°C ~ 50°C
Dimensions	77 x 77 x 107 mm
Weight	195g
