Z41A - 4MP Quad HD Camera

Standard Security Camera

4MP

Using the CP Plus Ezykam+ Camera 360

4MP Quad HD Camera

Designed to represent an enhanced picture quality in full HD video so that every detail can be viewed with vivid clarity and a pixilated video feed can be avoided.

360° View

This Ezykam+ by CP PLUS does not even require installation hassles and you can easily place it on a mount, plug it in, connect to the Wi-Fi and you are good to go.

360°

Motion Detection Alerts

This camera detects movements in the video frame and send alerts in real-time to always keep you not ed about what's happening at home.

Human Body Detection

Designed to provide human detection and intelligent alerts, which means only being alerted only when the need occurs as the camera detects people as opposed to animals, passing vehicles, or other inanimate moving objects.

Privacy Mode

Using privacy mode, you can block the camera view & recording of a specific area of your choice to maintain privacy.

Superior Night Vision

Provides full-color video even in low light. Using a bigger CMOS image sensor, this camera offers a wider contrast range allowing shadows and darker areas to be illuminated with perfect clarity as the sensor with bigger pixels collects more light, and more light improves the image quality even in the dark.

View & Talk

Enables you to stay in touch with your loved ones from anywhere, meaning you can also talk while viewing the live video feed on the phone.

Alexa and Google Supported

Works with Alexa & Google Home so you can go hands-free and command the camera with your voice while enjoying the safety of a smart home.

"Alexa, show me kid's room camera."

"showing the kid's room view."

works with **Google Home**

Specification - Z41A

Feature	Specifications	Feature	Specifications
Image Sensor	1/2.8" 4MP CMOS Image Sensor (0.9071 cm)	Wireless Security	WEP, WPA
Compression	H.265	Protocol	TCP/IP
Resolution	4MP	Work with Alexa	Supported
Minimum Illumination	0.01Lux	Work with Google Assistant	Supported
Lens	4mm lens	IR Range	IR Range of up to 20 Mtr.
Frame Rate	20 fps	IR LED	12
Mirror/ Flip	Supported	Storage	SD Card (Upto 128GB)
View Mode	HD & SD	Motion Detection	Supported
Stream	Dual Stream	Configurable Region	Supported
Pan/ Tilt Range	Tilt 130°, Pan 355°	Motion Tracking	Supported
View Angle	(H/V/D)(D)：101.6°/(H)：85.5°/(V)：46°	Notification Method	APP message push
Audio	Two Way Audio	Private mode	Supported
Audio Input	Supported (Built in Mic)	Human body Detection	Supported
Audio Output	Supported (Built-in Speaker)	Reset Button	Supported
Audio Compression	G71 1	USB Cable	2Mtr
Audio Compression algorithm	u-law algorithm	Mobile Software	iOS & Android
Audio Compression Rate	57% (uLaw)	Power Supply	DC 5V, 1A
Ethernet Port	Supported	Power consumption	5 W
Antenna	Built-in PCB antenna	Body Material	ABS+PC
Antenna gain	2~3db	Working temperature	-10℃ ~ 50℃
Wireless Frequency	2.4~2.4835GHz	Dimension	175 x 110 x 150mm
Wireless standard	IEEE 802.11b/g/n	Weight	496g
